OFFICE OF STRATEGIC SERVICES

INTEROFFICE MEMO

~~CONFIDENTIAL~~

TO: Harold J. Coolidge, Jr., DATE: October 31, 1942

FROM: Francis P. Miller

SUBJECT:

I am informed that a Mr. Sam Chavkin, contributing reporter for Click Magazine, has recently returned from Latin America and has stated that "upon his return to the U. S., it is his intention to make a report to the Donovan Committee on Axis agents' activities in Latin America including a great deal of material which he had not brought to Panama".

Do you know anything about Mr. Chavkin's report? Is there any record of it in your files? If there is not, could you find out from R. and A. whether they know about it. If R. and A. professes ignorance, would you mind inquiring at the Colonel's office.
